

One Global Workplace

Our global network gives our customers industry-leading product sourcing and logistics around the world. Partner with us and put our collective years of business experience and global capabilities to work for you.

Partnering with a Global Team

Customers who partner with our global team have access to industry-leading sourcing solutions and a logistic network across the world.

- **North America—**

- **A Digitally Networked Powerhouse.**

- With over 50 years of experience in the U.S., our B2B business unit is an industry leader and single-source provider of: Office Supplies, Interiors & Furniture, Print & Documents, Facility Resources and Technology. We offer business solutions tailored to your organization, so you can streamline your workplace, every day.

- Our reach extends to Canada where, under the OfficeMax Grand & Toy banner, we're one of the country's most respected names and the dominant office products distributor/retailer.

- With a strong presence in OfficeMax de Mexico, we service area businesses, recruit local associates and source products through in-country suppliers.

- OfficeMax Puerto Rico is a 10-year success story as the largest provider of office products in the region—we have the broadest selection and fast delivery.

- **Europe—A Single-Source Solution.**

- The OfficeMax and Lyreco global alliance gives you industry-leading product sourcing and logistics, serving global companies with local expertise, standardized procedures and reporting capabilities.

- **Asia—Full Service Throughout the Far East.**

- Global customers can access best-in-class national brand and private label products, plus e-commerce ordering, logistics, fast deliveries and local language expertise.

- **Australia—A Leader Down Under.**

- Popular in Australia and New Zealand, the OfficeMax procurement process is seamless and cost-effective with simple ordering and monthly reports.

- **Africa—We Work Where You Work.**

- Our in-country partners find great products, services and consistent pricing in Mozambique, Namibia and South Africa.

- **South America—Local Expertise and Service.**

- Customers in Argentina and Brazil receive best-in-class product sourcing and logistics as well as local market expertise and industry-leading service.

Global Workplace Solution At a Glance

Situation

Your business is expanding across borders. You need a supplier to deliver value worldwide.

Business Impact

Sourcing solutions from different vendors becomes unmanageable and results in higher costs.

How OfficeMax WorkplaceSM Helps

An international leader in workplace solutions, we have a network of distribution centers, retail locations and alliance partners on six continents and 44 countries.

Business Value

No matter where you work, rely on single-source convenience to manage your global workplace.
